O R D E R

On June 12, 1995, Campbell County Kentucky Water District ("Campbell County") filed its application with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to the purchased water adjustment procedure. KRS 278.015 and 807 KAR 5:068.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. Campbell County purchases water from the City of Newport ("Newport") and Kenton County Water District No. 1 ("Kenton No. 1").

2. Newport increased its rates for water sold from \$.60 per 1,000 gallons to \$.795 per 1,000 gallons effective June 1, 1995. Also effective June 1, 1995, Kenton No. 1 increased its rates to Campbell County from \$1.16 per 1,000 gallons to \$1.321 per 1,000 gallons. Campbell County proposes to increase the rates to its customers effective June 1, 1995.

3. During the 12 months ending June 1, 1995, Campbell County purchased 1,624,049,200 gallons from Newport and 656,030,000 from

Kenton No. 1 for a combined total of 2,280,079,200 gallons. During the same time period, Campbell County sold 1,865,062,800 gallons.

4. Campbell County's calculations are correct and show an increase in purchased water costs of \$422,310, resulting in a purchased water adjustment of \$.226 per 1,000 gallons. Based on an average quarterly usage of 15,000 gallons, the average bill of Campbell County's customers will increase \$3.39 from \$52.04 to \$55.43, or 6.51 percent.

5. The purchased water adjustment of \$.226 per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Campbell County are hereby approved.

2. The purchased water adjustment of \$.226 per 1,000 gallons and the rates in Appendix A are approved for bills rendered on and after June 1, 1995.

3. Within 30 days of the date of this Order, Campbell County shall file verification that the notice to its customers has been given.
